

Kyle Chenet, CEO of 410 Medical:

Kyle has 20+ years of life sciences business and operations experience. Kyle joined 410 Medical as CEO in 2016 and has built and led the team as they transform the resuscitation in critically ill patients. During his tenure at 410 Medical, the company has successfully received FDA 510k clearance for and commercialized multiple products for the hospital and prehospital markets. Prior to joining 410 Medical in 2016, Kyle was founder and CEO of Lq3 Pharmaceuticals and had a variety of leadership, operational and business roles at Liquidia Technologies, GlaxoSmithKline, Abbott Laboratories and Biolex Therapeutics. Kyle holds a BS in Mechanical Engineering from the University of Michigan and an MBA from Stanford University.
