

Department of Veterans Affairs

Senior Executive Biography

Ronald Miller, D.M.

**Chief Officer of Support Operations
Veterans Health Administration**

Dr. Ronald (Ron) Miller was appointed as the Chief Officer of Support Operations in January 2025. Dr. Miller's portfolio includes ten Program Offices in Operations, and he advises the Chief Operating Officer (COO) and Deputy COO on matters involving VHA's Healthcare Environment and Facilities Programs, Acquisitions, Supply Chain, Healthcare Technology Management, Veterans Canteen Service, National Center for High Consequence Infections, Emergency Management, Police, Center for Development and Civic Engagement, and Member Services.

Prior to joining the Veterans Health Administration, he was with the Department of Health and Human Services (HHS), Administration for Strategic Preparedness and Response (ASPR), serving as the Senior Advisor to the Deputy Assistant Secretary for Resource Management, where he provided guidance and support for Departmental and ASPR priorities, including interagency collaboration, logistics, information technology, contracting and business operations. In addition, from 2015 to 2019, he served as the Director for the National Disaster Medical System (NDMS), which responded globally to provide medical support to those affected by natural and man-made disasters.

Ron is a U.S. Army Veteran. He received his bachelor's degree from Chaminade University, his master's degree from the University of Maryland, and his doctorate from the University of Phoenix. He is also a graduate of Harvard University's National Preparedness Leadership Initiative and the Federal Executive Institute. He has an Executive Change Management certification from Cornell University and Defense Acquisition Workforce Improvement Act Certifications in Program Management and Contracting Officer Representative.
