

Department of Veterans Affairs

Senior Executive Biography

Ronald Miller, D.M.

***Executive Director
Office of Logistics and Supply Chain Management
Department of Veterans Affairs***

Dr. Ronald (Ron) Miller was appointed as the Executive Director of the Office of Logistics and Supply Chain Management in July 2026. Dr. Miller is responsible for VA logistics policy development, oversight, coordination, and human capital support. He oversees the operational capabilities of the Department of Veterans Affairs across its Administrations and Offices by providing leadership and management of programmatic and oversight duties related to logistics.

Previously, Dr. Miller was the Chief Officer, Support Operations whose portfolio included ten program offices in Operations, and he advised the Chief Operating Officer (COO) and Under Secretary for Health (USH) on matters involving operational oversight.

Prior to joining the Veterans Health Administration, he was with the Department of Health and Human Services (HHS), Administration for Strategic Preparedness and Response (ASPR), serving as the Senior Advisor to the Deputy Assistant Secretary for the Office of Resource Management. In addition, from 2015 to 2019, he served as the Director for the National Disaster Medical System (NDMS), which responded globally to provide medical support to those affected by natural and man-made disasters.

Ron is a U.S. Army Veteran. He received his bachelor's degree from Chaminade University, his master's degree from the University of Maryland, and his doctorate from the University of Phoenix. He is also a graduate of Harvard University's National Preparedness Leadership Initiative and the Federal Executive Institute. He has an Executive Change Management certification from Cornell University and Federal Acquisition Workforce Certifications in Program Management and Contracting Officer Representative.
